Rexford,

I left you a telephone message a short while ago and thought I would follow up with the additional information that I have so far.

Adolf Quintana aka Adolfo A. Quintana  
SS# 261-72-3966  
DOB: 7/22/46  
824 Camargo Way, Apt. 105  
Altamonte Springs, FL 32714  
Date address reported: 7/01  
No published telephone listings for Quintana at this address

Monica E. Scanlon  
SS# 515-76-9167  
DOB: 4/25/71  
Several addresses came back on the search results, I believe the first one (in Boca Raton) is not valid

2355 NW 46th Street  
Boca Raton, FL 33431  
Date address reported: 7/00  
Note that search results indicate property ownership as Jane Scanlon, however, additional research indicates owner's name is Marc Margolies, and telephone listing at this address is under Margolies.

120 W. 23rd Street, Apt. 9B  
New York, NY 10011  
Date address reported: 04/00  
No published telephone listings for Scanlon at this address

Note that a telephone number of 561-241-9699 appeared in the search results. This number is listed to Thomas J. Scanlon, 17244 Balboa Point Way, Lake Worth, FL 33462. He is the owner of this property and his DOB is 8/25/41. It is probable that Thomas is Monica's father.

Please confirm that you have received this and the other e-mail I forwarded with information on Paul Colangelo.

Let me know if you wish to proceed with unlisted telephone number searches.

Deborah
